

## Research Residency Program 2021 Application Outline

Tokyo Arts and Space (TOKAS), operated by a division of The Museum of Contemporary Art Tokyo, offers artist-in-residence programs for international creators working in various creative fields to stay, engage in creation, and conduct research activities in Tokyo. It also provides creators with the opportunities to exchange creative ideas and to present outcomes of their residency at TOKAS-organized events, such as the Open Studio.

We are now calling for “Research Residency Program”, aimed at both international and local creators who are willing to conduct research on arts and culture in the city of Tokyo.

### 1. Target for this program

This program is aimed at those creators
